It is very easy to leave the CDG airport terminals in order to meet your BCS driver:

- **Terminal 1:** The driver will be waiting for you right next to Exit 24. Once you find that exit, you will be able to easily find your BCS driver.

- **Terminals 2A to 2D:** The bus parking lot that serves all those terminals is actually located between terminal 2C and 2D. You can simply leave to the street and walk a short distance to meet your BCS driver. The longest possibility you will have to walk is about 6 minutes.
- **Terminals 2E and 2F:** There is another bus parking lot between those terminals. Once you leave to the street, you will find the bus parking lot a short walking distance away.
